Early Childhood Education PDs

Wellbeing & Development Through Creativity

Nature as Teacher

Skills:

- Enhance learning in and from natural environments.
- Draw on nature and arts to foster connection and contribution to the world.

Knowledge:

- Understand specific strategies for responding creatively to nature.
- Stay up to date with nature-based learning trends.

Fostering Holistic Practice Through The Arts

Skills:

- Use visual art techniques to explore pedagogy.
- Implement reflective practise to respond holistically to learners.

Knowledge:

- Expand connections between wellbeing, learning and visual arts practice.
- Explore the communicative nature of visual art.

Creatively Cultivating Belonging, Being & Becoming

Skills:

- Create environments of belonging, being and becoming through visual art.
- Utilise art-making to explore and celebrate individuality and diversity, communities, groups and individuals.

Knowledge:

- Gain insight into communal arts practice and creating connections through art.
- Understand strategies for fostering creative self-expression and visual communication skills.

Exploring Identity: A Valuable Teaching & Learning Resource

Skills:

- Develop awareness of identity-specific strengths and attributes through visual art.
- Foster celebration of identity through shared stories and experiences.

Knowledge:

- Explore and reflect on the role of educator identity in early childhood education.
- Understand the value of identity as a teaching and learning resource.

Why Choose The Lamp Post Studio?

- We hold space respectfully and appreciate individuality.
- We understand the importance of both independence and collaboration in learning environments.
- We embed the values and goals of the Early Years Learning Framework into our PDs for early childhood professionals.
- Our Early Childhood Education PDs are suitable for all early learning settings including; primary schools, kindergartens, preschools, daycares, playgroups and community groups.
- You can book into our PDs as an individual or arrange a PD specifically for a team or group.

For more information about our PDs or to make a booking, email Heidi Franklin at: contact.thelamppoststudio@gmail.com or visit thelamppoststudio.com/PD
